Edinburgh knows how to put on a show at Christmas time, with a calendar full of markets, concerts and performances to celebrate the season of goodwill.

To take it all in, you'll need a base right in the heart of the action, and The Witchery, located just off the Royal Mile in buildings dating back to 1595, is the ideal spot.

The exceptional seasonal menu is a sophisticated alternative to Christmas market frankfurters and glühwein, and the nine lavishly decorated suites are the perfect place to unwind after a day spent wandering the cobbled streets.
